

Colne paedophile's rape of girl, 12, captured on CCTV cameras

Summary:

Dylan Sherratt, from Colne in Lancashire, first messaged the 12-year-old in August 2023 to ask her for intimate pictures. Despite knowing her age, he then asked to meet her and sexually assaulted her in an incident that was recorded on CCTV. He was arrested two months later on suspicion of raping a child and making indecent images of a child. At Burnley Crown Court he was jailed for 16 years and 10 months.
